Montmartre and Sacré Coeur

Paris Story

For nearly an hour you are whirled through the history of Paris, along the centuries from the founding of the Gallo-Roman settlement of Lutetia to the present day.

THE PARIS JOURNEY

Paris is a city with a rich history that dates back to the 3rd century B.C. The monuments and attractions are breath-taking and varied in terms of period and architectural style.

Palace of Versailles and its Gardens

- A symbol of the French monarchy, the Chateau de Versailles was erected by the powerful "Sun King" Louis XIV, then later was home to Louis XVI and Marie Antoinette. Witness royal architecture of the palace, including the emblematic Hall of Mirrors and get an amusing perspective on royal life at the palace. The palace's gardens are lush, scenic and idyllic.

- The Arc de Triomphe is an icon of imperial France under Napoleon I. The Arc de Triomphe is a monumental triumphal arch that sits at the top of the prestigious Avenue of Champs-Élysées.

Boat cruise on Seine River

- A classic river boat cruise - a large, flat bottom boat with an open top, from which the students can see the amazing views of the famous buildings along the Seine.

Disneyland Paris
