

PROFILE

Conception

Indo French Hub was conceived in 2016 to facilitate the exchange of two very vibrant cultures in the world - India and France. Towards this goal, we have created a HUB of exciting and enriching activities and programs for students, teachers and just anyone who loves the French language, food, history and culture.

At the centre of all our programs and activities is a team of qualified educationists, travel enthusiasts and lovers of the French language. **Bijal Menon**, an educationist and French language enthusiast, **Rajith Menon**, an entrepreneur and **Tushar Gangoly**, a communication expert.
